Here are 3: the info\_sheet is the basic dioxins fact sheet by EPA; next is the ATSDR's 2-page ToxFAQ; last is ATSDR's 8-page ToxFAQ CAB.

Enjoy...

Barbara, I also wanted to ask if you'd like any of EPA's Dioxin Reassessment documents. Dioxin has been going thourhg Agency reassessment for 15 or so years, and the latest drafts (following National Academy of Sciences review) came out in the last year or two. They are drafts, so may or may not be appropriate.
